

Object description

#2411

Location	8855 Wangen
Construction	1851
Object type	Detached house
Design type	Energy-efficient renovation

The historic detached house with its striking roof and numerous windows underwent energy-efficient renovation on the outside. To this end, the old base plaster was removed and a new mineral plaster structure was created using the Fixit 222 aerogel insulation plaster system.

Products

Fixit 222 Aerogel High Performance Insulating Plaster
